*We at "First Choice Resales, Inc" in Central, Florida
want to "Congratulate" your Company on your great product!*

*We are very impressed with the quality of your product
and how wonderful it has helped our office enviroment.*

*Prior to the instalation of your product our office had
a very musty smell when entering in the morning hours.
We now have and all agree to the fresh and clean air
throughout the day..*

*We also have seen a considerable lower amount in our
electric bill (\$100.00) less a month after having
your product installed.*

Thank You "CDC" for the great product!
